Students Testimonials:

Rahul Sharma, Finance Controller

★ 4.5/5 (2 months ago)

The practical approach and real-world examples, Recommended !

Narayan R, CPA

★ 5/5 (5months ago)

An excellent course! The instructor covered all key topics—forecasting, budgeting, Business Planning Performance management Matrix and variance analysis—with practical, real-life examples that added great value.

Ananya Mehta, Chief Financial Officer (CFO)

★ 5.0/5 (3 months ago)

Exceptional course! The depth of insight into FP&A and real-time business planning is unmatched. A must for any finance leader.

Vikram Nair, Senior Finance Director

★ 5.0/5 (1 month ago)

Brilliantly structured!. Highly recommended for finance professionals.

Kiran Desai, Group Financial Controller

★ 4.5/5 (5 months ago)

Highly practical and actionable content. It provided immediate value to our monthly planning cycles. Outstanding delivery.
